Old Business:

- Duane Jurn assessor said that it is good. *PA 116 is acceptable*
- Harrison Road Home all seems fine

New Business:

- Bryce Road Portable Shed discussion. Replace the current 11 x 11 shed with a 16x32 removable shed. Looked at the barn location and offsets. Due to the $\frac{1}{2}$ acre lot and it's a portable shed, we grant the shed to be placed in the area. Only when the current 11x11 shed is removed and letter of intention is properly given.
