No New Business

Resident Dumas had the maps printed so the planning commission reviewed the maps and created a rough draft for non-conforming use and current zoning. Dumas will have the new maps ready for the next meeting.

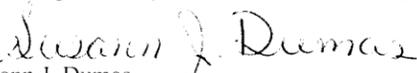

In reviewing commercial properties for the non-conforming use map, resident Dumas asked what is the difference between a dog kennel and horse riding/boarding stable. Shouldn't they both be commercial? The planning commission agreed that it should be researched because it doesn't exactly meet the agricultural definition.
