Planning Commission report was made by the liaison. It was suggested by the supervisor that before any business is added to the web site there will be a signed (permission slip). When the Planning has produced the permission paper work it will be reviewed by the township attorney before approval to use.

Several complaints were heard. The trailer house at 12177 Imlay City Road has been vandalized. A nonsense letter which was unsigned complained about the corner of Foley & Carney Roads that the lawn wasn't mowed, believing this is blight and should be taken care of.

Bob Morningstar 11157 Rose Road has issues with noisy dirt bikes. We will be looking into a "Nuisance Noise Ordinance" from other Townships.

Brown made a motion to adjourn and was supported by Reliford & Heiden. Meeting was adjourned at 8:15 p.m.

Respectfully Submitted,

Beverly K. Brown, Clerk
