Chairman Mueller called the meeting to order at 7:00 pm. Roll call taken with Mueller, Scott, Reliford and Bowen present.

Bowen read the April minutes for the regular meeting. Two corrections were noted: (1) Changing the requestor's name in the third paragraph from Clerk Brown to Supervisor Butler. (2) Capitalizing the social media heading Twitter in the seventh paragraph. Scott motioned to accept the minutes with the two corrections; Reliford seconded the motion.

No new business

Old Business:

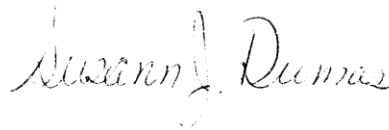

- Solar Energy – haven't heard anything from the solar farm company that recently approached the township.
- Local Business – It was shared with the commission members that the township board liked the idea of listing local businesses on the township website. The board is looking in to perhaps using the links to the respective web sites of the businesses on the township's directory as well. Further research on this topic is being taken up by board members. There is also a board member who may possibly take on the role of administrator for the local business directory on the township's website. This is still being discussed at the board's meetings.
- Current Zoning Map – The current zoning map was approved by the township board and nothing further needs to be done.
